& Innovation, EY

BENEFITS

1

Reconnect to your workplace

Take back control of your workspace with a flexible, integrated approach to supporting employees in connecting to their workplace.

2

Save employee time and money

Give staff on-the-move access to facilities and services. Enable greater collaboration and productivity.

3

Understand your people and places

Your workplace data is delivered in a configurable analytics dashboard surfacing key insights in easy to understand formats for stakeholders such as heatmaps, rankings tables and more.
