## WORKPLACE BOOKING SYSTEM

### GemEx App

#### KEY BENEFITS

1

##### Facilitate Flexible Workstyles

Indoor positioning system technology to be directed to your booked area or chosen amenity.

2

##### Enhance Collaboration

Enabling employees to reserve workspaces fosters collaboration and teamwork, ultimately leading to increased innovation and productivity.

3

##### Data-driven Business Decisions

Real-time data drives informed decisions, optimising space and resource allocation for enhanced efficiency and cost savings.
